## **6 Finance and Stewardship Report**

6.1 Harry Morten, the Head of Finance, introduced himself and presented a series of slides giving the financial highlights for 2018, and looking forward to 2019.

### **6.2 Financial highlights for 2018:**

- The total incoming resources was £329k, this had decreased by £166k compared to the previous year, largely due to legacy money of £180k received in late 2017.
- £279k came from regular giving, and the remainder of the income came from grants, events, investment income and ancillary trading such as wedding fees, use of the church and The Centre.
- Total expenditure was £335k, which was the same as 2017.
- Net movement in funds was -£38k.
- The general fund showed a decrease in our balance to only £17k, with £50k being an excess of expense over income last year and the remainder being a resettling of the legacy monies back into the Projects fund.
- Staff team costs was the single highest item of expenditure at nearly £132,044. This followed on from the incredible growth in activities that they are leading.
- Other expenditure included £80k for the Parish Share and £24k on building maintenance.
- Charitable Giving at £26k came in on budget due to the great work of Keith Croxton and the MOG Team. It was encouraging that the Mission costs, at £12,402, were also significant, this covered

items such as Alpha, the food service, outreach, pastoral care, minibus and many other activities at the Centre.

6.3 Harry expressed his thanks to the Treasurer, Pam Fox, for her sterling work paying all the bills and maintaining the accounts; Judith Bundock, for her work as Stewardship Co-ordinator; and to Mike Evans, the previous Treasurer, for his support and mentoring.

6.4 **2019: Where our money will go and where we think it will come from:**

Harry reported that in 2019 the expected spend is £326,000, which was a reduction of £10k on last year. This was an attempt to avoid a deficit over the course of the year. Building maintenance would be around £127,400 this year due to some significant capital projects including the organ restoration, the new CCTV and fire system, the glass door engraving, the final kitchen upgrade, the church noticeboard, some marble floor repairs, a light refurb of the clock in the tower and the purchase of new chairs. Some of these projects would come out of the legacy money.

6.5 Harry reported that in 2019 an income of £323k had been budgeted. As a successful and ambitious church we need to spend £338k to fulfil our plans to continue God's work in Buckingham, which leaves a shortfall of £15k and we cannot afford to run another deficit in 2019. The Finance team was looking to the generosity of the congregation to sustainably fund this shortfall and it had been working on ways to facilitate giving in the church. The giving series in October saw a number of people start to give regularly or increase their giving and a card reader is being trialled at the 6pm service, which allows contactless payments as well as larger chip and pin donations. Harry also reported on the Parish Giving Scheme, run by the Church of England, which allow donors to increase their giving in line with inflation.

6.6 Judith Bundock noted that it was pleasing to see the growing number of new standing orders for the benefit of the church and reported that it would be very helpful, for budgeting purposes, if those setting up standing orders on-line could also fill in a Giving Form, so that the frequency of the gift and its eligibility for gift aid could be noted. Giving Forms are available on the website.

6.7 Tim Venn queried why ancillary trading income had decreased by £12k since 2017. Harry confirmed that he would look into this figure and report back.

**7 Presentation of the Annual Report and Accounts and Appointment of the Auditor for 2018**

7.1 It was reported that due to an error on the financial statement the accounts could not be approved at the meeting. The error occurred whilst transcribing the balance sheet, which had been approved by the Auditor, to the annual report. Therefore, the accounts would need to be reissued and approved at a special Parochial Church Meeting on the 19 May 2019.

7.2 Harry Morten proposed that the same accountants, Hills & Burgess, be used again. Mike Evans seconded, and all agreed.

7.3 Keith Hagon led prayers for the church finances.

**8 Hymn - Here is love vast as the Ocean**

**9 Children's, Young Persons and Families Video**

9.1 Revd Danny Rodgers introduced the Children's, Young People and Families ministry and a video which detailed its work during 2018. Thanks was expressed to the CYPFAM team and all of the volunteers for their work in this important ministry.

9.2 Prayers for the Children's, Young People and Families ministry were led by Judith Wigley.

**10 Mission and Outreach Group Video**

- 10.1 Revd Will Pearson-Gee introduced a video detailing the work of the Mission and Outreach Group during 2018. This group, led by Keith Croxton, does incredibly valuable work in the community of Buckingham and beyond and is supported by some amazing dedicated volunteers.
- 10.2 Prayers for the work of the Mission and Outreach Group were led by Gill Croxton.
- 10.3 Although not included in the video, the important work of the KitKat club and Holiday Club was noted. Will directed those at the meeting to the Church Groups and Activities booklet, which included further information on all the various mission and outreach activities.
- 11 Rector's report and look ahead**
- 11.1 Lucia Pearson-Gee opened the Rector's report item with a bible reading - Luke 4, verses 14-30.
- 11.2 Revd. Will Pearson-Gee directed the APCM to his report on 2018, which was available at the meeting and also on the website. He explained that in the interest of time he would not repeat the content of this report.
- 11.3 Will began his talk by focusing on the recent Easter services, to which over 602 people attended, including 109 children at the 9.30am service alone. Will expressed his sincere thanks to the large number of people who volunteered a great deal of time to make the services such a success. Will reported on the positive feedback that he had recently received regarding BPC, along with the good news that Buckingham Parish Church is thriving and that we are being blessed with growth. Buckingham Parish Church is relevant in the town, the activities that we engage in change lives and make a difference and BPC is held in high regard in the community.
- 11.4 Will expressed his thanks and appreciation to the entire congregation for their love, support, time, generosity, financial giving and prayers over the past year.
- 11.5 Looking forward to 2019, Will reported that things at BPC were going really well and, with the likelihood of a period without a curate this year, there were no plans to embark on any radical initiatives at the present time. Following years of rapid growth, Will would now be concentrating on strategy, leading and building the team, raising new leaders, mentoring, and encouraging the persecuted church.
- 11.6 As mentioned in Harry Morten's finance report, there were numerous changes to the fabric which would be progressed in 2019 including the Kitchen Reordering, the Portable Baptistery, the Noticeboard and the new Chairs, which have been approved by the PCC and would be delivered in May. Changes to the Side chapel were still being considered. This would include swapping the stained-glass window from the kitchen with the clear one currently in-situ and removing the panelling, which would make the area lighter and more open.
- 11.7 Will reported that there had been some discussion regarding modifications to the position of the Rood Screen and he presented an image of one suggestion to the APCM. It was noted that this option, which involved the removal of the uprights and raising the top of the rood screen, was a compromise which would open up the chancel, offering some privacy to the choir but not separating them.
- 11.8 Will also reported on some of the challenges facing Buckingham Parish Church during 2019:
- The 11am service will start 15 minutes later on a trial basis during the summer term. The impact of this change will be reviewed during August.
  - Two new staff members, Worship Team Leader Ali Burt and Youth Worker Lara Burt, will start on 13th May and will need settling in.
  - Jacob will leave in September to commence his studies
  - Danny Rodgers will most likely leave us later this year
  - Stewardship needs some focus
  - Planning the Parish weekend away
  - Leadership gathering event is planned for later in the year for all those with a leadership role.

- 11.9 Will reported that the Diocese had confirmed that an immediate replacement would not be provided when Danny leaves BPC, and we would be without a curate until at least sometime in 2020, possibly even later. For a church with a regular congregation of 400, this was of some concern. Will acknowledged his wonderful team, including many fabulous retired clergy. In particular Michael Greig was currently working full time managing connect groups, Alpha and dealing with discipleship issues and some pastoral care, and this was not sustainable nor reasonable. With a church as big as BPC, there was an increasing need for both a curate and an Associate Minister. An Associate Minister would be someone who Will could share the ministry leadership with and would become head of discipleship. It was common for churches as large as BPC to have such a paid post. Our biggest goal for 2019 would be this extra ministry post and a challenge for us was to work out how to best achieve this.
- 11.10 Will ended his report by conveying how much he loves being the Rector of Buckingham Parish Church and expressing his thanks to the church family for making BPC the type of church that he has always dreamt of being part of.
- 12 Any Other Business**  
None
- 13 Question & Answer session**
- 13.1 Brian Hubbard noted that it would be useful for the church family to know how much an Associate Minister would cost BPC, in order for people to prayerfully consider increasing their contributions for this purpose. Will reported that, in addition to a house, a stipend of approximately £44k would be required. Will acknowledged that this is an extremely large amount, however God provides for our needs, and a part-time Associate Minister or someone who already had accommodation in the area could be a more achievable option.
- 13.2 Brian Hubbard commented that if we want the church to grow, reach more souls and save more people for Jesus then we all need to consider investing in the growth and paying for this new ministry position.
- 13.3 Geraldine Collins asked if the voice of the congregation could be added to the request for a curate to replace Danny immediately. Will replied that if people felt strongly about this then they were very welcome to contact the Diocese to express their concern at this situation.
- 13.4 Ben Waine queried if there was scope for partnering with another church within the Diocese, in order to share an extra member of staff. In particular the churches in Bicester, with the town's large growth in housing, might be interested in sharing resources in this way and this innovative approach might be something that the Diocese could consider more deeply. Will reported that he was mentoring clergy in Brackley, however there were no plans for any further resource sharing.
- 13.5 Revd Danny Rodgers proposed a vote of thanks to Revd. Will Pearson-Gee for all that he does for the congregation of Buckingham Parish Church and the wider community in Buckingham.
- 14 Holy Communion**  
Attendees of the APCM shared Holy Communion.
- 15 Hymn - O Lord my God /How Great Thou Art**
- 16 Closing Prayer**  
The Revd. Will Pearson-Gee closed the meeting with Prayer and Grace at 12.48.

It meets to prepare the agenda for the PCC and has power to transact business of the PCC in emergencies between its meetings, subject to any directions given by the PCC. The PCC has delegated to the SC responsibility for Human Resources (HR) matters concerning non-clergy paid members of staff. The Curate, Churchwardens, Head of the Finance and Stewardship Committee, Treasurer, PCC Secretary and up to two other members of the PCC serve on the SC which is chaired by the Rector.

### **Safeguarding Policy**

Buckingham Parish Church places the highest priority on safeguarding the welfare of the children, young people and vulnerable adults in its care, and as is required by the Church of England and by law, it has effective arrangements in place to protect them. These are set out in the parish Safeguarding Policy which was reviewed and approved for 2019-20 by the PCC in November 2019. This document is on display in church and is available on the Safeguarding page of the church website. The parish safeguarding procedures and volunteer recruitment processes are also available on the website. Jane Wardale and Denise Evans have been appointed by the PCC as the Parish Safeguarding Officers.

### **OTHER COMMITTEES & WORKING GROUPS**

The PCC operates through a number of sub-committees and working groups, which are responsible for areas of activity. They meet between PCC meetings giving reports and, where appropriate, making recommendations to the PCC and implementing decisions by the PCC when asked to do so. These groups are listed below.

#### **Finance & Stewardship Committee**

This committee oversees the finances of Buckingham Parish Church by monitoring the income and expenditure, preparing an annual budget and coordinating the promotion of the Christian stewardship of money through planned and regular giving. The Finance and Stewardship Committee was chaired by Harry Morten (Head of Finance) and Pam Fox was Church Treasurer. Judith Bundock continued as Stewardship Coordinator. (For the accounts see Finance reports on page 17)

#### **Children, Youth & Families**

Reaching out to children, youth and families is seen as a key area of mission activity. A wide variety of groups and activities are organised by a growing number of volunteers resulting in many new children, youth and families attending.

#### **Children**

**BPC Kids Groups** caters for children from 3 years to year 6 during the 9.30am Family Service in appropriate age groups - Sparks (years 1-2), Stepping Stones (3-5) and Dynamite (Years 3-6). Trail Blazers is a new group that caters for children in school year 3 to 6 at the 6pm service.

**Annual Events** Glow Party – This year, Glow Party came under the ‘Buckingham Churches Together’ umbrella, which meant there was more team available. We have also seen a development of Young Leaders joining the teams in 2019, and they were on board for Glow Party in 2019. We saw over 100 children and family members come through, and it was a success.

Crib Service – This was another fantastic and successful opportunity for families to come together to share in the excitement of the build up to Christmas and for the children to play an active part in the nativity story. We had approximately 50 children there with the stage filling up beautifully with shepherds, angels, kings and animals. It drew in many families connected with Messy Church and Ark which was great to see.

## **Youth**

**Lunch club** is a drop-in club in Buckingham Secondary School held every Monday in term time. Students come along to eat their lunch play games and spend time with their peers.

**Blaze (Years 7-9 youth group)** meets on Tuesday evenings at church. They have themed weeks on alternate weeks, and teaching weeks on the other. This group is aimed at outreach, focusing on young people who don't yet have a faith or are new to church.

**Fuel (Years 10-13 youth group)** meets at youth workers house on Wednesday evenings, for a connect group feel. Focus on fellowship and faith with desert, teaching and prayer. Every summer we go to a youth festival for 5 days where young people grow in their faith.

**The Way (Years 7-9)** meets alongside the 6pm service after worship. Young people catch up over snacks, have bible and faith bases discussion and pray for each other.

## **Families**

**The Ark** reaches out to non-church going families with children under school age, by providing a safe place for the children to have fun and the adults to make friends on Thursday mornings.

**Messy Church** is held once a month on a Sunday afternoon for a growing number of families with children ranging from babies to teenagers who are on the edge of church providing an opportunity to encounter the Christian message in a fun and interactive environment.

**Family Fun Day** is an annual free event where families from the town can come and join in with a wide variety of games, crafts, activities and enjoy quality family time together.

## **Other Children, Youth & Families activities**

### **Holiday Club**

Along with members from the other churches in the town, the CYPFam team are active in leading **Buckingham Churches Children's Holiday Club Week** across two venues for 5-18 year olds which in 2019 catered for about 250 children and youth.

### **Schools Ministry**

The Children and Families team have also been involved in leading School Assemblies in Primary Schools in the town. They have also led an After School Club across these schools in 6 week blocks throughout the academic year. They also run two annual events **Easter Cracked & Christmas Unwrapped**.

The Youth team have been running a lunch club in a secondary school and growing connections for further opportunities in both schools in the town.

This ministry has become a part of the Buckingham Churches Holiday Club ministry and the team work closely with other churches in the town.

### **Mission and Outreach Group (M&O)**

The Centre continues to provide activities and facilities to meet the evergrowing needs of the community as well as providing a sacred space in the heart of the town.

### **Fabric Committee**

The Fabric Committee is responsible for overseeing the fabric of the Parish Church, a Grade 1 listed building which dates back to the 18<sup>th</sup> Century, and also the curate's house. In 2019 the Church chairs were replaced, the car park was re-surfaced, the Church floor was repaired and re-waxed, bell-chamber and back-room heaters were installed. Plans to re-model the Lady Chapel were submitted to the DAC. The 5 yearly architect's inspection was carried out (Quinquennial inspection), the restoration of the Church clock was approved following successful

applications for grant support from specialist Church charities. An attempted break in saw one of the stained-glass windows damaged, this was restored to as new condition. A garden office was built in the back garden of the Rectory.

**Pastoral Care Team** Jo Wigley (Pastoral Team Leader) works (together with volunteers) to meet the pastoral needs of members of the church family and those on the fringe. Her case load has grown and grown.

### **FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019**

#### **TREASURER'S REPORT**

The accounts have been prepared under the 2011 Charities Act. The Central Board of Finance of the Church of England has produced its own financial regulations and associated Guidance in response to the Act. These have been adopted by the PCC and followed in producing these accounts.

The Guidance recommends the analysis and presentation of information under a standard set of headings, which can also be used for the annual financial return to the Diocese or the Central Board of Finance. These headings have been used in these accounts. Funds are shown as unrestricted, designated or restricted. Designated means that the funds are allocated by the PCC from the General fund and Restricted means that the funds are normally only available for purposes specified by the donor. The PCC has one general fund, seven designated funds and eight restricted funds. Full details of these are in the Additional Notes on pages 23-24.

The unrestricted Incoming Resources from donors was £298,686 in 2019 and the restricted Incoming Resources from donors was £27,663, therefore the total Incoming Resources from donors was up by £47,633 at £326,349 ((up from £278,716 in 2018 which was due to legacies received). Other Voluntary Incoming Resources was £37,622.

Activities directly related to Church Work (£467,211) has increased from £339,637 in 2018 reflecting a small increase in running costs for the church the growth and the range of activities undertaken during the year and in particular the increase in staff costs. The increase in staff costs is due to the number of paid posts that are necessary for a church delivering these mission-based activities.

The overall Net Movement in Funds, at -£50,507, was a drop of a further -£11,753, compared to 2018. Both of these still mean that our everyday income does not yet cover our everyday expenditure, looking across all of our funds.

The Church's charitable giving was £24,230 (2018: £25,920) compared to a budget of £25,000 which was based on 10% of the actual planned giving received in 2019. The Mission & Outreach team has been very conscientious in making sure the whole "tithes" is spent within the year, but sometimes requests for items don't fit in neat financial years.

Our community hub at The Centre has grown from strength to strength, being occupied most of the time. The original 2-year lease on the building has already been extended by Bucks County Council to 5 years. It is noted that The Centre is totally self-sufficient financially and running at no cost to the church. At the end of 2019 The Centre's bank balance stood at £22,509 (2018: £23,329).

The auditors received £200 + VAT for carrying out the audit of the church accounts. This fee has been frozen for several years and I would like to thank Hills and Burgess for their continued support in examining and approving these accounts.

I would like to especially thank Pam Fox for maintaining the church accounts all year round and Tracy Roskell for looking after The Centre accounts. I would also like to thank Judith Bundock for continuing to be the Stewardship Coordinator, and Anne Exelby for banking the weekly collections and Daphne Browne providing additional treasurer support.

**INDEPENDENT EXAMINERS' REPORT  
TO THE PCC OF ST PETER'S AND ST PAUL'S, BUCKINGHAM**

---

This report on the accounts of the PCC for the year ended 31 December 2019 is in respect of an examination carried out in accordance with the Church Accounting Regulations 2006 (the Regulations) and section 145 of the Charities Act 2011 (the Act).

**Respective responsibilities of trustees and examiner**

As the members of the PCC you are responsible for the preparation of the Accounts; you consider that the audit requirement of the Regulations and section 144(2) of the Act do not apply. It is our responsibility to issue this report on those accounts in accordance with the terms of Regulations.

**Basis of independent examiners' report**

Our examination was carried out in accordance with the General Directions given by the Charity Commission under section 145(5)(b) of the Act and to be found in the Church Guidance. That examination includes a review of the accounting records kept by the PCC and a comparison of the accounts with those records. It also includes considering any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

**Independent examiners' statement**

In connection with our examination, no matter has come to our attention:

- (1) which gives us reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 130 of the Act; and
  - to prepare accounts which accord with the accounting records and to comply with the requirements of the Act
- have not been met; or
- (2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The Charity Commissioners and the Diocese agreed in 2001 that the sum of £50,000 could be advanced from the capital of this fund to the Open Door (Redevelopment) Project, subject to the recoupment of £1,500 annually until 2036 from the interest of the residual capital of the fund, to be reinvested as a permanent endowment of the charity (as above).

At the year end the amount to be recouped stood at £25,500 and the investment is valued in the accounts at £247,561 (2018: £207,168). During the year the trust fund made a gain of £38,893 (2018: loss of £3162).
