## Aaji Seva Kendra, Dharavi

- Our Aajis are doing well. Pray for the Lord's protection as their age makes them more susceptible to COVID. With the help received from some of our friends, we were able to distribute food packets to the needy.
- Our application with the Income Tax Dept for 12A certificate has been halted due to lockdown. Pray that we will receive this certificate as soon as the lockdown is lifted.
- We are looking for more admissions in Glory School for the coming academic year. Pray that the deserving students will join our school.

## Nurses Training Programme, Salem

- Pray for all the staff, faculty and students to be kept safe during this pandemic time. There are many COVID cases and deaths in our area
- We are preparing for the new academic year and looking for new students for the 2021-2022 year. Pray that the right pupils will join the institute.

## Project Karuna, Gulbarga

- Michael and his team went from house to house to count the members in each family. They have started distributing vitamin C to every member of each family who is above 5 years of age. The upper right-picture shows one of the team members giving a pack of vitamin C tablets.
- The team is also setting up a small clinic in the Gandhi Leprosy Colony with beds and facilities for COVID patients. Pray that they will be protected as they risk their lives in helping the COVID patients. The right picture shows one of the oxygen concentrators installed in the facility, received as a donation from concerned friends.

## Shining Light School, Poona

- Pray for the protection of the 13 boarding children who are residing in the Shining Light School hostel.
- Thank God that the construction of the new container school building has reached the final stage.
- We are conducting online classes for the 10th standard class. Pray that the students will grasp the subjects well.
- We are receiving calls for new admissions for the coming academic year even though the Government has not yet permitted schools to be re-opened. Pray that deserving students will be able to join the school.
