Prayer Ministry Team – Chris and Cheryl Murray

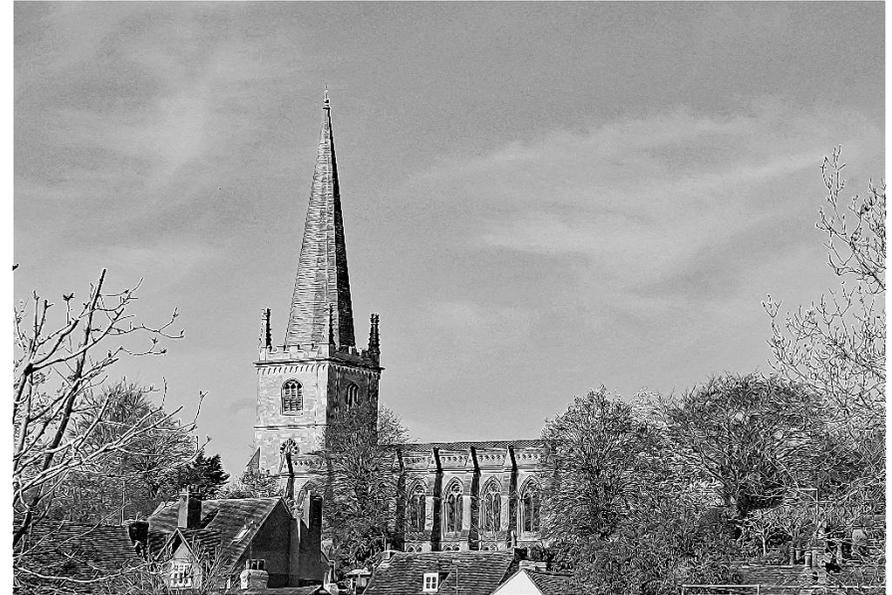

Thank you for your prayers. **It is certainly a great blessing** that we are getting back to 'normality' in church activities. It is wonderful to be ministering to people after services now, & that we have a rota!

Please pray: For anyone who feels they might be called to this ministry to seek God's will & come & talk to me or Cheryl. We do need more team members.

For increasing openness to be prayed for among our congregations.

For opportunities for the Holy Spirit to minister during services, & greater expectation for this to happen.
