

TurboCARE

July 2022

Aaji Seva Kendra, Dharavi

- We continue to meet the daily needs of our aajis by providing ration, conducting meetings and periodically holding fun activities to keep them entertained. In June, we helped one of the aajis with her medical bills.
- Picture on the right shows one of the staffs distributing ration to aajis.

Glory School, Dharavi

- Hoping that more students will join our 1st the 3rd standard classes.
- We hired one more teacher for Junior Kindergarten and Daycare.
- We've increased the salaries of old teachers this year.

Karoonaa Charitable Trust, Gulbarga

- Karoonaa team plans to conduct medical camps and health awareness training in schools and colleges in July.
- The team continues to provide food for fifteen older adults in the Gandhi leprosy colony.
- Karoonaa in Action: pictures below are from the clinic in Gandhi Leprosy Colony.

Shining Light School, Pune

- Shining Light School saw the first batch of seven students pass the Xth board exams held in April and have done reasonably well. They plan to pursue their studies further. One of them wants to take up an electrician course.
- We have employed four of the seven students as trainees. They will be involved in teaching, sports and other activities. The students are very excited about the offer.
- June 13, the school reopened for the academic year 2022-23. We have received many new admissions. We now have 245 students on roll apart from 32 long-distance students. We have also received applications for registration from Nasik and Kholapur - about 200kms from Poona.
