Open Doors – Betsy Kolkea

China has been in the news recently as we've watched Former Chinese President Hu Jintao being escorted out of the party congress. It's opportune for us to focus our prayers on Christians in China undergoing persecution.

First, prayers of thanks, that today there are over 95 million Christians in China! That's almost 7% of the population.

What's it like to be a Christian in China? Intense oppressive sophisticated government surveillance monitors church attendance, & it is illegal for under 18s to attend church. Some church leaders are quietly

abducted; 'They are simply snatched away, only to appear months later in a kind of house arrest, where they get re-educated'.

Open Doors encourages us to **pray for these Christians** that 'they will be led by the Holy Spirit, equipped to withstand oppression and persecution. May they learn to discern each season and respond with wisdom & maturity.'. Amen.

Mission Partners - Mukti Mission - Street Orphans - Union Biblical Seminar as they minister in India, a country ravaged by the covid pandemic.

Give thanks for a Warm Spaces grant to enable us to open the church lounge as 'The Living Room' to offer a hot meal & a friendly room to chat; play cards; board games; table tennis etc.

Please pray for our Advent & Christmas programme for both churches & the Community Hub. Particularly for our outreach & evangelism events.

Please pray for the Quiet morning of prayer on 26th November as we prepare before the busyness of the season.

We give thanks for our school's team, headed up by Gaby, as they take the Christmas message into our local primary schools, reaching approx. 900 children plus staff.

Prayer for the World - Zena Greig

Prayer for the World: Our church supports the Union Bible Seminary in Pune, India. It trains Christian leaders from all the major ethnic, linguistic & cultural groups through biblical & Christ-centred teaching, preparing them to become 'servant leaders & scholar saints for a transforming mission in a contemporary world'

Please pray:

For the provision of all their financial needs

For the students as they prepare to proclaim Christ in an increasingly hostile environment

For the staff as they seek to make the college a 'place of light, liberty & learning centred on Jesus Christ
