

Rector: Will Pearson-Gee

Give thanks for a summer that, whilst being overly busy and stressful, has revealed God's providence at every stage, in particular that my mother-in-law's house has finally been sold and we managed to get it sorted out in time. **Thanks too** for an amazing Focus and Holiday Club. I will not be with you on 1st September as I shall be on the National Deliverance Ministry course so **please pray** for God to use me in this area and for protection over those I love (as this is a common line of attack for those in this ministry). **Please also** pray for the Kenya mission team as we prepare for our 6-18 October trip and the PCC as we grapple with options for future expansion.

Associate Minister for Pastoral Care: Jo Wigley

Praise God for:

- new relationships built at Focus and the sense of community as we lived in camp together.
- the faithful praying people on the prayer chain. Knowing that you are being prayed for is powerful and such a comfort in challenging times.
- our lovely town, for the many social groups and caring people who live here.

Pray for:

- those in hospital receiving treatment or recovering from surgery.
- those waiting for test results, may God give them peace in the waiting.
- the lonely, for those struggling with their mental health and for those who are struggling financially.
- Christian marriages and relationships, that God may be the anchor that holds them steady in rough seas.

Connect Groups Ministry Leaders: Phil & Gill Blackledge

Thank God for His protection for Phil this summer after a medical procedure didn't go according to plan! We felt very loved and supported and are so grateful to be part of such a loving and prayerful community. **Thank God** too for 'all clear' results after Gill's surgery earlier in the summer.

Thank God for the way the Holy Spirit is moving in Connect Groups.

Please pray that people will see their prayers answered so that their faith and confidence in prayer grows.

Please pray for the Connect Group Leader's barbecue on 6th September that as we spend time together in a social setting, relationships will develop and the sense of community will grow.

Please pray too for the next Connect Groups Leader's meetings on the 29th and 30th of September, that these will be times of encouragement, sharing and envisioning each other to lead through to Christmas.

Youth Team Leader: Sam Graham

Praise God for an amazing 24/25 academic year! We have seen so much growth both spiritually and numerically. The number of projects has grown at the need and request of young people to further their discipleship.

Praise God for DTI and the way the Holy Spirit worked among our young people.

Please continue to pray for those baptised in recent months that their faith will continue to deepen.

Worship: Sam Graham

Please thank God for Summer Sundays and the way everyone engaged in worship that may have been a different style to what they attend normally.

Please pray for the new term and the plans for our youth and students.

BPC Children & Families' Team Leader: Lucia Pearson-Gee

- a wonderful holiday club and amazing feedback.

Please pray for:

- more volunteers for the 11am children's groups
- all the ministries starting out this term, Ark and Lighthouse in particular

Prayer Ministry Team: Chris and Cherryl Murray

Please give thanks for:

- responses to clear invitations from preachers/ service leaders to come forward for prayer, and the recent increase in numbers coming forward.
- the presence of the Holy Spirit, so tangible at the 5/6pm, the prayer beforehand and the anointed worship leading by the band.

Please pray for

- the visit of Adrian Galvin and his team offering ministry for healing and freedom that many people will be blessed by the Holy Spirit.
- more people from the 11am congregation to offer to serve in this ministry.

Buckingham Churches Holiday Club:

Give thanks for a succesful Holiday club and many answered prayers.

Please pray for all the children who attended that seeds planted will grow and their journey with God will develop and flourish. **Pray also** for their families.
